Hurricane Delta, currently a category 4, is projected to pass through parts of Mexico’s Yucatan Peninsula the morning of Wed. Oct. 7, 2020. Hurricane warnings are in effect for Cancun, Riviera Maya and Cozumel. A tropical storm warning is currently in effect for the Cayman Islands.

For the most up-to-date information about Hurricane Delta, please visit the National Hurricane Center at https://www.nhc.noaa.gov/#Delta.

Passengers currently in Cancun, Riviera Maya or Cozumel may be sheltered in-house at their hotels & resorts or moved to another location. As each hotel & resort has its own procedures, Passengers will be advised individually. Passengers with questions can also see their in-resort Amstar representative.

For passengers scheduled to travel: If you purchased Travel Protection Plus, you may change or cancel with a full refund less the TPP premium. If not, please be advised that cancellation and change policies vary by hotel and airline.
